Marble | Granite | Quartzite | Onyx | Sandstones

DT EXPORTS

Exporters of Indian Natural Stones

www.dt-exports.com

Company Profile

DT Exports is one of the leading Natural Stone exporters from India engaged in export of Blocks and Slabs of world class Granite, Marble, Sandstone etc. We have always provided our customers excellence in quality and service at most competitive prices.

We have a dedicated team of professionals headed by **Mr. Pankaj Jain (CEO of Company)** with a rich and varied experience in stone industry inherited from our group company founder and visionary **Shri Vinod Kumar Jain** who started export of Natural stones in the year 1969.

The company has been engaged in the export of Rough Granite and Marble Blocks to highly valued clients in China, Vietnam and Taiwan and finished products to major international markets around the world.
